

PRINTING A COLORADO LICENSE

The Colorado Division of Insurance no longer mails paper licenses to Colorado licensees.

However, it has reached an agreement with Sircon to allow licensees to print his or her license from Sircon.

Please access Sircon at www.Sircon.com/Colorado and use the link “**PRINT A LICENSE**” on the home page.

All producers may print a license for a \$5.00 fee.

Printing a License for those using Sircon for application or renewal

Producers who make application through Sircon may print a license free for 30 days after the license is issued. We regret that those using NIPR for application or renewal may not print a license free during the first 30 day period.

PLEASE NOTE THAT THIS FEE IS PAID SOLELY TO SIRCON. THE STATE OF COLORADO DOES NOT RECEIVE ANY PORTION OF THE FEE.
