To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator by emailing accommodationspearsonvue@pearson.com.

EXAM DAY

Please arrive at the test center thirty (30) minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. Be prepared to show identification. If you arrive more than fifteen (15) minutes late for your appointment, you may be refused admission and exam fees may be forfeited.

No personal items may be taken into the testing room. This includes all bags, books not authorized by the sponsor, notes, phones, pagers, watches and wallets.

WHAT TO BRING

You **MUST** bring the following items with you to the Examination test site:

- **Two (2) forms** of current (unexpired) signature-bearing identification. (One **MUST** be photo-bearing, see list below). **Please note:** The signature and names must match exactly to what was submitted on your application. If you come to the test site without the proper ID, you will not be allowed to take the exam and you will lose your exam fee.

No other materials will be allowed.

All exam questions, each form of the exam, and all other exam materials are copyrighted by and the property of Pearson VUE. Any distribution of the exam content or materials through any form of reproduction, or through oral or written communication, is strictly prohibited and punishable by law. TESTING POLICIES

The following policies are observed at each test center:

LATENESS

Arrive at the test center thirty (30) minutes before your scheduled examination starts. If you are late for your scheduled examination, or do not bring all of your required materials, you will NOT be allowed to test and your examination fee will NOT be returned (see Cancellation and Rescheduling for more details).

Any such materials brought into the examination room will be collected and returned to you when you have completed the examination. Pearson VUE is not responsible for lost or misplaced items.

EATING/DRINKING/SMOKING

You are not permitted to eat, drink, or smoke during the examination.

MISCONDUCT

GUESTS/VISITORS

Guests, visitors, pets, interpreters, or children are not allowed at the test centers.

THE EXAM

The Pennsylvania Psychology Law Examination (PPLE) will consist of 30 scored multiple choice questions. You will have 60 minutes to complete the exam, which will begin after you've accepted the terms of the Non-Disclosure Agreement.

Each examination item will consist of a question and four answer options. If you do not know the answer, you may guess or move on to the next item. However, please note that unanswered questions will be marked as incorrect. If you want to review a specific question after completing the test, you can click on "Flag for Review" to mark the question. If you click on "Flag for Review," the flag will display in yellow. At the end of the test, you may have time to review questions that you marked. Questions flagged for review will appear with a blue flag in the Review Screen. You may then go back to the flagged questions and answer them or change your response.

Pearson VUE highly encourages all test takers to review the online tutorial at <http://www.pearsonvue.com/demo> before arriving to the test center. The tutorial will help familiarize yourself with the look, feel and navigation of a Pearson VUE computer-based test.

If you give help to someone or receive help from anyone during the exam, you may be asked to leave the room and the incident will be reported to the Pennsylvania State Board of Psychology. Anyone who takes or tries to take materials or information from the testing room is subject to prosecution.

CONTENT OUTLINES

- II. Regulations Code Title 49 Chapter 41 (21)

SCORE REPORTING

At the conclusion of the examination, **preliminary** exam results will be provided and also forwarded to the Board's office for processing. Once all requirements are met, you will be issued your Psychology License, which will verify passage of the exam and confirm the preliminary report.

Please note that you may be required to submit additional documentation prior to issuance of your license. If additional documents are required you will be notified by the Board. You or your employer may verify your license at <https://www.pals.pa.gov>.

EQUATING AND SCALING

There are multiple versions of each of the licensing examinations. These versions are known as forms. Although all forms of an examination are developed based on the content outlines, the difficulty of the forms of an examination may vary slightly because different questions appear on each form. To ensure that no candidate is put at an unfair advantage or disadvantage due to the particular form of an examination that he or she is given, a statistical procedure known as equating is used to correct for differences in form difficulty.

For example, in an examination with two (2) forms, Form A and Form B, the state licensing agency determines that answering 30 questions correctly on Form A demonstrates the minimum amount of knowledge necessary to be licensed. It is further determined through the equating process that Form B contains slightly more difficult questions than Form A; therefore, answering 30 questions correctly on Form A would indicate the same level of knowledge as answering only 28 questions correctly on Form B. Under this set of circumstances, a score of 30 questions correct would be used as the passing score on Form A whereas a score of 28 questions correct would be used as the passing score on Form B.

A second statistical procedure known as scaling is used to derive the numerical score to report for each candidate. Scaling is used to place a raw score on a common reporting scale on which each scaled score represents a given level of

knowledge regardless of the difficulty of the form on which the raw score was achieved.

To illustrate how scaling works, suppose that in the examination example used above, the state licensing agency decides to use a score of 500 as the passing score for reporting purposes. (Note that the score selected to be used as the reported passing score is not related to, and has no bearing on, the difficulty of the examination.) Based on the information provided above, a raw score of 30 on Form A would translate to a scaled score of 500; a raw score of 28 on Form B would also translate to a scaled score of 500 since a raw score of 30 on Form A represents the same level of knowledge as a raw score of 28 on Form B.

SCALED SCORE

The passing scores of the PPLE was set by the Pennsylvania State Board of Psychology (in conjunction with Pearson VUE) after a comprehensive study was completed for each examination. Raw scores are converted into scaled scores that can range from 0 to 100. To avoid misuse of score information, numeric scores are only reported to failing candidates. The scaled score that is reported to you is neither the number of questions you answered correctly nor the percentage of questions you answered correctly. With a passing score of 75, any score below 75 indicates how close the candidate came to passing, rather than the actual number or percentage of questions the candidates answered correctly.

FAILING AND RETAKING AN EXAMINATION

If you fail the PPLE, you must obtain Board approval to re-take it. You will receive correspondence from the Board providing instruction on the process of obtaining approval to re-take the PPLE.

If you lose your Score Report or need a duplicate Score Report, complete the *Request for Duplicate Score Report Form* and mail it to Pearson VUE (see *Appendix A*).
