ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to <https://www.pearsonvue.com/us/en/test-takers/accommodations.html>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

ABSENCE/LATENESS POLICY

Candidates who are late to or absent from an examination may be excused for the following reasons:

- Illness of the candidate or of the candidate's immediate family member
- Death in the immediate family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty
- Weather emergency

Candidates who are late to an examination will not be admitted and will forfeit the examination fee. Candidates who are absent from an examination and have not changed or canceled the reservation according to the Change/Cancel Policy will forfeit the examination fee. Written verification and supporting documentation for excused absences must be submitted to Pearson VUE within fourteen (14) days of the original examination date.

WEATHER DELAYS AND CANCELLATIONS

If severe weather or a natural disaster makes travel to the test center inaccessible or unsafe, the examination may be delayed or cancelled. Pearson VUE will attempt to contact each candidate via phone or e-mail as soon as they become aware of an issue.

EXAMINATION PROCEDURES

Candidates should report to the Pearson VUE Center thirty (30) minutes before the exam is scheduled, to complete registration. When candidates arrive, they should check in with the test center manager and present their, identification, and proof of NJ approved training (see *What to Bring to the Examination*, on page 4). The manager will review this documentation and photograph each candidate for his/her score report.

Candidates must agree to abide by the Pearson VUE and NJ Department of Health's test center security policies. The security policies are presented at the beginning of the examination.

Candidates must select the "I agree" button to proceed. Candidates who do not agree or accidentally select the "Not Agree" button will not be allowed to test.

Candidates will have an opportunity to take a tutorial before proceeding to the actual examination. The time spent on the tutorial will not reduce the time allotted for the examination. Proctors will be able to answer questions regarding the operation of examination equipment, but will not answer any questions regarding examination content. Upon successful passing of the examination, Pearson VUE staff will generate a score report. Your ORIGINAL report must be sent to the Department of Labor and Workforce Development with your permit application as proof of passing the examination. **Copies of the score report will not be accepted.** You should keep a copy of the score report for your records. For more information on applying for your permit, call 609-633-2158.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **CALCULATORS ARE PERMITTED. Any type of calculator is allowed. However, test center staff must clear the memory before and after the exam.**
- **No personal items are allowed in the testing room.** Personal items include but are not limited to cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens, or pencils.
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen, or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family, or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the NJ Department of Health), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the NJ Department of Health. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the NJ State Department of Health. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise his or her hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building, he or she will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the NJ State Department of Health for prosecution in accordance with the requirements of N.J.A.C. 8:60.
