Installation Manual

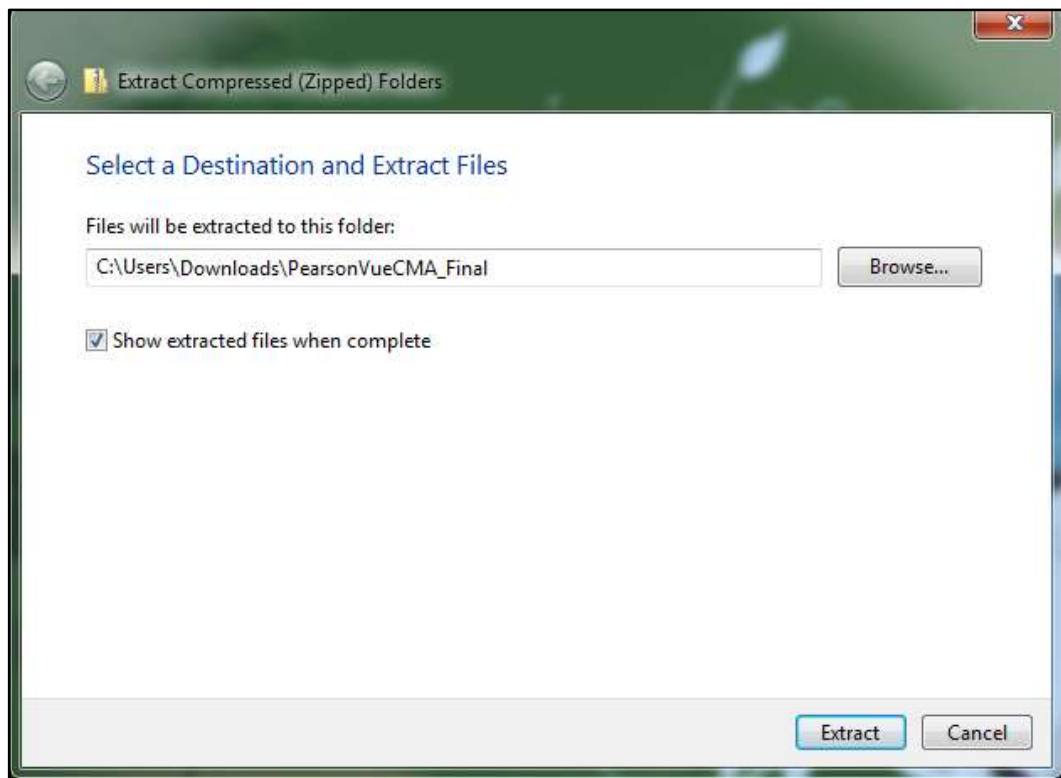

Installing the Offline Mock test application

There are two methods to run the **Offline Mock test application**:

- 1. Through the web portal:** The installation package will be provided as a zip file. This zip file needs to be downloaded from the web portal. The user can extract the zip file into a folder and run the "PearsonVueCMA.exe" file to start the test.

Installation through the Set-up Zip File

- Click on the installation set-up zip file.
- The zip file gets downloaded to your system.
- You need to extract the zip file into your hard drive/hard disk.

- Click on the **Extract** button.
- The screen displays the extract progression pop-up box.
- Once the extract process gets completed, you need to the respective hard drive and click on the set-up file (PearsonVueCMA.exe).

Welcome to the Institute of Certified Management Accountants of Sri Lanka computer-based testing

<p>Buttons</p> <p>During your test, you can use these buttons. You can click on the Previous button to go back one screen. You can click on the Next button to go forward one screen.</p>	<p>Timer and progress indicator</p> <p>Test time remaining Each subtest and instruction screen is separately timed. A Countdown timer will be present onscreen in the top right hand corner. When there is less than 5 minutes remaining, the timer will turn yellow with an alert message. You will be notified via a pop-up once your time has expired. If you don't click 'OK' and move on you will lose time from other sections.</p> <p>Test progress A Progress Indicator will be located just below the timer. The Progress indicator will show what question you are on out of the total available.</p>	<p>Mark Question, Review screen and Navigator</p> <p>Mark Questions for Review If you want to review a specific question after completing the test, you can click on Flag for Review to mark the question. If you click on Flag for Review the flag will display in yellow. The question will be marked on the Review Screen.</p> <p>The Review Screen At the end of the test, you may have time to review questions that you marked. Questions flagged for review will appear with a blue flag in the Review Screen. You may then go back to the flagged questions and answer them.</p> <p>Navigator It is a tool that will take you to any page in this demo. Click on the Navigator button in the lower right corner, then click on the underlined page name. You can use this tool to review and practice any skill you choose.</p>
